

XXVIIth International Conference on Magnetic Resonance in Biological Systems

August 21(Sun) - 26(Fri), 2016 Kyoto International Conference Center, Japan

Young Investigator Award

This certificate is awarded to

Ryoichi Sawazaki

for the paper entitled,

Structural Characterization of PABP Multimerization on Poly(A) Tail

in recognition of substantial contributions to the field of magnetic resonance in biological systems.

Masatsune Kainosho

Masatsune Kainosho
Chairperson,
Organizing Committee of ICMRBS2016
Professor, Tokyo Metropolitan University

Ichio Shimada

Ichio Shimada
Chairperson,
Organizing Committee of ICMRBS2016
Professor, The University of Tokyo

Hideo Akutsu

Hideo Akutsu
Chairperson,
Organizing Committee of ICMRBS2016
Professor, Yokohama City University
